## **Grand Traverse County Curbside and Drop-Off Recycling** Frequently Asked Questions

### **What does the Curbside Recycling District mean?**

All residents (single family homes up to a fourplex) will have the opportunity to set their recyclables out for pick up at their driveway.

### **Recycle with Trash Cart Service**

The cost for curbside recycling is included within the price of your cart and this cost is determined by your hauler. Residents will need to contact their hauler to request a recycling bin and/or use their own container clearly marked as recyclables.

### **Recycle with Trash Bag Service**

The cost for curbside recycling is additional with trash bag service and this cost is determined by your hauler. Residents will need to contact their hauler to request a recycling bin and/or use their own container clearly marked as recyclables.

**Note: There is no limit to the amount of recyclables that can be placed at the curb. Recycle bins will be serviced weekly on the same day as trash service. Contact your hauler for questions regarding cost.**

### **How do I start utilizing curbside recycling service?**

Contact your hauler to subscribe.

### **I do not have trash service. Can I subscribe to curbside recycling service only?**

Yes. Contact a hauler for cost.

### **How can resident living in single family homes greater than fourplex recycle?**

Multi-unit single family homes (apartments, complexes, condos, mobile home parks, etc...) are encouraged to request management obtain a quote for recycling service from their hauler.

### **How can businesses recycle?**

Businesses are encouraged to obtain a quote for recycling service from their hauler.
